
We are looking forward to seeing you back at 39 Rue de Jean beginning tomorrow!
We've been working hard to get ready!

Our temporary hours are 4-9pm. We'll have a limited menu, and will be offering inside/outside dining and takeout. Make your reservation through OpenTable or by calling us at 843.722.8881 as seating is limited.

Our goal is to serve you great food with exceptional service in the safest environment.

We've always had high standards in regards to sanitation, but we're applying even more safety measures.

Here are some we would like to share.

- All staff will wear a mask
- All menus will be 1 time use only
- We will be offering individually wrapped plasticware
- Tables will be spaced out a minimum of 6 feet, and all tables, chairs and surfaces will be thoroughly sanitized after each guest.
- There will be touch free hand sanitizer stations throughout the restaurant
- We will be allowing only 1 guest in the restrooms at a time and then we will sanitize before the next guest
- We will meet with our staff daily making sure that they don't have any of the symptoms or have been around anyone with the symptoms of the Covid-19 virus. We will also be taking their temperatures every day.

This is just to name a few, again your safety as well as the safety of our staff is very important. We would ask that if you are experiencing any of the symptoms, please wait to dine with us for the safety of everyone.

If you have any questions--reach out! We're happy to answer.
Once again, we can't wait to have you in for Dinner!
