*'Blue Cuban Seas' by John Carroll Doyle, copyright 2010*

John Carroll Doyle was born in Charleston, and painted professionally for over 44 years. His love of the sea, fishing, and boats began as soon as he saw the Atlantic Ocean for the first time.

Mr. Doyle was the SEWE Featured Artist in 2005, and has painted numerous covers for Sporting Classics, Marlin Magazine, Saltwater Sportsman, and Gamefish Magazine in Paris. Among his many collectors are the President of Penn Reels in Philadelphia, the CEO of the Subaru Corporation, and Jimmy Buffett.

Mr. Doyle was lucky enough to fish with John Rybovich on one of his iconic sport fishing boats off Palm Beach. Note the large image behind the bar titled 'Blue Cuban Seas' is Doyle's painting of Ernest Hemingway in his famous boat 'Pilar' fighting a blue marlin off Cuba's coast in the 1930's. This painting was on the cover of Sporting Classics magazine for their Spring 2013 special Hemingway issue.

Mr. Doyle passed away in 2014. We feel very fortunate to have his art on display on our walls in The Victor Social Club.
