## ON KING

*Shane Whiddon, Executive Chef*

Shane Whiddon's passion for the kitchen was influenced by his love for hunting, fishing, gardening, and time spent with family and friends. He has a true appreciation for the ritual of breaking bread, which was instilled in him by his grandmothers' passion for providing meals that created memories.

Chef Whiddon has many chefs and friends that have helped and mentored him throughout his career.

Most recently he spent 6 years with the Sea Island Company, a Forbes 20 Star resort in southeast Georgia. He started his career with Sea Island cooking in The Georgian Room and eventually taking on the role of Chef de Cuisine for Colt & Alison at the Lodge. Prior to Sea Island he was with the Charleston Grill.

Shane loves to spend time outdoors and to be with his wife and two boys.
